LICENSING & REVIEW

I, Flash Parlini, 595 Mt. Fury Circle, Issaquah, WA 98027, respectively, declare:

That I made and conceived the invention described and claimed in patent application:

Serial number 10/758,405 filed in the United States on January 15, 2004, titled SYSTEM
AND METHOD FOR DETERMINING AIRCRAFT TAPELINE ALTITUDE.

- ok
- I. That I made and conceived this invention while employed by The Boeing Company;
 - II. That the invention is related to the work I am employed to perform and was made within the scope of our employment duties;
 - III. That the invention was made during working hours and with the use of facilities, equipment, materials, funds, information, and services of the Boeing Company; and
 - IV. The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

The undersigned inventor declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title XVIII
